

NIA/NM's Resource Center for Victims of Violent Death

We serve the many "living victims" of violent death – the families & loved ones, those in neighborhoods, in the workplace, in the larger community, the city, and the state - with availability, information, advocacy, referral, and education, and as a bridge in the gaps in victim services.

WHAT'S NEW !

Lunch & Learning - 2nd Tuesday of each month. 1/10/17 from noon-1:30. Come for lunch & sharing & information on the progress of a case in the criminal justice system. Using a fun video learning "I Detective" - you get to evaluate the process the detective follows. This may help you understand your case better.
