

# NIA/NM's Resource Center for Victims of Violent Death

We serve those dealing in the aftermath of violent death - families & loved ones, friends, neighbors, co-workers, as well as the community / city / state - as a BRIDGE across the gaps in victim services with availability, information, advocacy, referral, education, and grief support services.

*It has been a hot summer and I wanted to send out something fun for August. So ... given the calendar event days in August...take your dog, your, friend, or your sister to the ballgame and get a hot dog and put mustard on it with your left hand.  
 (Sorry, the best I could do)*
